

Family Service Program: Revised 9/19/23

We highly value the support and involvement that Genesee Christian parents provide to our school. There are many ways for families to get involved and make a difference here at GCS. Parent involvement is an opportunity for you to share the gifts God has given you with your child's teachers, enabling them to keep their focus on the quality of our educational program. Volunteering also gives your family a way to become more fully connected in the GCS community. Please explore the opportunities we have available, and always feel free to share new ideas of how you can serve at GCS.

Program Mission:

The Family Service Program is designed to bring families of the school together to improve and enhance our students' education. Through the efforts of our families we will be able to provide a better support system for our students as well as providing needed services that will help offset tuition.

Specifics:

Each family with a 1st through 12th grade student will have the opportunity to earn a tuition discount by volunteering for various qualifying activities. Each family can earn \$10 per unit of service up to \$200, plus \$100 per child for families with three or more students.

There are many areas of service to choose from, some of which your family may already be involved in! Your family's service units will be posted in your RenWeb Family Portal. Discounts earned will be applied to your family account annually in May. Please see your child's teacher/activity supervisor for Service Hours Form.

Qualifying Activities:

MACS Supervision	Robotics	SSI Program Volunteer
Homecoming Workers	Bake Sale Volunteer	Volunteer Coaching
Elementary Field Day Volunteer	Pastor's Luncheon Volunteer	Maintenance/Grounds Volunteer
Auction Event Volunteer	Class Party Coordinator	Bible Project
Auction Prep Volunteer	Elementary Kitchen	Service Day Volunteer

More opportunities will be posted in the Courier as needs arise.
