

Senior High MACS Competition for 10th, 11th, & 12th

The Michigan Association of Christian Schools is instrumental in organizing both athletic programs and fine arts competitions among Christian schools. The MACS Fine Arts Competitions include various music, science, art, speech and Bible categories as well as general academic testing. These competitions offer opportunities for students to display and practice God-given talents and interests as they represent Genesee Christian School and Jesus Christ.

Genesee Christian School attends the Fine Arts Competitions on the following dates:

Elementary (grades 4-6): February 27th at Bethany Christian School in Troy, MI

Junior High (grades 7-9): April 30th at Faith Christian School in Clinton Twp, MI

****Senior High (grades 10-12): March 14th at Calvary Baptist School in Midland, MI****

Students are encouraged to participate in these optional events. Please encourage your student to participate in this year's competition in their areas of interest. All of the opportunities are listed on the **back of this page**. If your student does not plan to participate please check the box on the attached page and return the form to the school.

The cost of this academically based field trip event is approximately \$8/student or more depending on multiple events. GCS absorbs most of the cost of transportation, registration, and the entrance fees for the mandatory group events. Your child's permission slip and money will be due closer to the event.

Teachers have explained the various competitions in class and the students have considered them and made their initial selections. Please discuss the categories attached to this letter with your child and encourage him/her to choose at least one category for participation. Each additional event will cost **\$4.50 for individual events and \$4** for group events. In order for us to efficiently prepare for the competition, please return this form by **December 2, 2025**. This will allow us to assign students to be 'coached' by GCS faculty in the area of their interest. This will help the student to be adequately prepared for the event. This form needs to be signed and returned to Mrs. Houle (regardless of your student's choice of involvement) by December 2nd.

We strive to give our students the best education for the investment you are making. Our goal with this program is to help young people find avenues of interest which can be used to serve Jesus Christ. Please feel free to contact me with any questions.

Sincerely,

Mrs. Amy Houle
